

Healthcare's best multi-tasking scale.

Detecto's Model 6550 Folding Portable Scale

PORTABILITY:

Vertical fold-up requires minimal floor space and allows easy transportation.

WEIGHING USE:

wheelchairs

standing

straight-legged chairs

walkers

The beauty of Detecto's sturdy but lightweight model 6550 lies in its versatility and ease of use. It can be utilized in multiple departments and in various ways.

Transport is easy. Simply fold the column down, lock it into position, and it's ready to lift and move or store in an upright position.

The scale's digital weight indicator is the industry's most advanced, featuring serial output to a printer or PC, battery or AC power, BMI calculation, yellow "quick keys" for basic weighing, and a bright, crisp LCD display.

The 6550 offers a wide range of versatility and weighing positions: wheelchairs • standing • straight-legged chairs • walkers

Consolidate your scales.

Simplify your life.
